INDEPENDENT ACCOUNTANTS' COMPILATION REPORT

To the Board of Directors
Donner Summit Public Utility District

Management is responsible for the accompanying financial statements of the business-type activities of Donner Summit Public Utility District (the District) which comprise the statements of activities and changes in net position – budgetary basis for the ten months ended April 30, 2026 in accordance with the budgetary basis of accounting, and for determining that the budgetary basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or the completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The accompanying supplementary information contained on page 8 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has elected to omit substantially all of the disclosures and the statement of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and statement of cash flows were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The financial statements are prepared on the budgetary basis of accounting, which includes expensing capital outlay purchases and principal payments on long-term debt. The budgetary basis of accounting is a basis of accounting other than accounting principles generally accepted in the United States of America.
